About

On the Southern-most tip of Africa and home to the incredibly diverse Cape Floral Kingdom, the Western Cape is one of the world's largest exporters of citrus fruits. ABSTINENCE Cape Citrus draws from this bountiful resource to give you the most delicious medley of citrus flavor, combined with some of its world-renowned indigenous flora.

Botanicals:

Orange – Lemon – Grapefruit – Buchu – Cassia – Pepper – Fennel – Ginger

No Sugar | No Artificial Sweeteners | No Added Color

Tasting Note

Dominant citrus backbone is supported by delicate notes of buchu, pepper and fennel. All neatly woven together by a warm spice element from the cassia bark.
