SAUVIGNON BLANC

"Layered, complex nose of tropical fruits and flowers, sweet lemon and apple, fresh basil then a delicate gooseberry note. Equally complex on the palate with youthful tension from the acidity and a leesy texture accentuated by the herbaceousness ripe fruit. A delicious and serious wine."

- Cameron Douglas, MS

SAUVIGNON BLANC

"Very attractive passion-fruit aromas, as well as ripe melon and lime cream. So much going on here. The palate has a big hit of fresh, ripe and juicy passion-fruit and peach flavors. Pleasingly bitter edge to the finish. Tonic-like twist. Drink now. Screw cap."

SAUVIGNON BLANC

"This Sauvignon Blanc combines the quintessential vibrancy and clarity of Marlborough with an expansive, mouth-filling texture. While classically Sauvignon with its vivid elderflower, citrus, passion fruit and nettle aromas, its enthusiasm is curbed by a proportion of wine fermented in oak. Mouthwatering acidity cleanses the palate on the balanced, medium-length finish. Incredibly
