BAROLO DEL COMUNE DI LA MORRA

"I like the first impression of savory, clove-stuck baked-apple on the nose, broadening out into ripe red berries and milder, nutty, oak-induced spice. Medium-to-full bodied with the same mix of spice and fruit that envelops the tannins and provides a lengthy, flavorful finish. Rather a unique Barolo and fun to taste now, but definitely posed for some aging." - JS

BAROLO DEL COMUNE DI LA MORRA

"The blend sees fruit from four separate vineyard sites in La Morra (of which two are inside the Ascheri MGA). The long, polished elegance of that site is in fact the motor that drives this wine. With 12,000 bottles made, it reveals dark fruit, rose petal and soft earthy sensations... 60 days of maceration in stainless steel and 24 months of oak aging."
