“BLOCK 5”*Pinot Noir*

“A combination of tension and power, bright aromatics and brooding length. It’s like a feature film in the way it saws through various moods and fancies. Mineral, graphite, clove, cream, black cherry and the darker, roasted side of woody spices; all these flavours make important contributions, as does firm, detailed tannin.”

“BLOCK 5”*Pinot Noir*

“A symphonic wine. Cavalcade of red berry fruit, spice, stony-mineral characters, seasoning of clove and woody spice. The palate is wonderful in texture, lithe, strong, tightly wound and yet energised and dancing on near Italianate tannins – more dark cherry and earth here. So much detail, so much sense of potential. An exceptional wine.”
