2019

'BRANDNETEL'

Chenin Blanc

"Sourced from Nietvoorbij's rootstock trial block, planted in 1980, simply & naturally vinified, 2019 chenin is pure grace. Elegant, refined & characterful, expressing varietal stone- & tropical-fruit. Even better than 2018 (92 pts)."

2019

'BRANDNETEL'

Chenin Blanc

"Why make one very smart Chenin Blanc when you can make two? Worth tasting alongside Duwweltjie from the same team, this is even tighter, tauter and more mineral, with mouth-watering acidity, fennel and thatch aromas, subtle old wood and delicious line and length. Lingers for more than a minute on the palate. 2021-27."

2019

'BRANDNETEL'

Chenin Blanc

"From a Stellenbosch Chenin Blanc vineyard planted in 1980 with 32 different rootstocks for trial purposes. Yellow fruit, spice and some yeasty complexity on the nose while the palate is relatively rich and broad with tangy acidity. Plenty of upfront flavour but ends slightly short."
