CABERNET SAUVIGNON - MERLOT

"This has rich ripe-plum and summer-berry aromas ,as well as deeply earthy notes and fresh, spicy oak. The palate has deep, sweetly ripe fruit flavors with smooth-honed tannins that sit juicy and agile. Really delivers. A blend of cabernet sauvignon, merlot and malbec. Drink over the next decade. Screw cap."

CABERNET SAUVIGNON - MERLOT

"Shimmering ruby. Lively, spice-accented aromas of cherry, boysenberry and fresh flowers, with a subtle herbal nuance in the background. Broad and appealingly sweet on the palate, offering pliant cherry and dark berry flavors that tighten up through the back half. The floral note repeats strongly on a persistent finish framed by supple, even tannins."

CABERNET SAUVIGNON - MERLOT

"Boysenberry, mulberry, violet, slight youthful char, liquorice, spicy biscuits. It's medium-bodied, so brightly lit and well-defined, a coolness and distinct 'minerality' to the acidity, precise and tight, fine graphite tannin, and an effortlessly long finish. This is one out of the box." - Gary Walsh
