

Craven

2019

**CABERNET SAUVIGNON**

"Grapes again from Karibib in the Polkadraai Hills, winemaking involved 100% whole-bunch fermentation. An enchanting nose with notes of red and black berries, some attractive leafiness plus violets and a little undergrowth. Medium-bodied with good freshness and a nicely dry finish, this has a touch more vinosity to it than the maiden 2018 and is very pleasurable to drink."
