

Craven

2020

**CABERNET SAUVIGNON**

"Grapes from Polkadraai Hills. Whereas the previous two vintages involved full whole-bunch fermentation, this saw 30% of the fruit destemmed and this has added some extra padding to the palate, the wine that much less esoteric as a result. Violets and cassis on the nose, lovely fruit delineation combined with a particular vitality – alcohol is 12.48%."
