'CLÉMENTINE'

Red Wine

"Excellent dark purple-garnet; expect blackberries and mulberries, hints of spices and rosemary and while the oak (17 months in barrel, 30% new) adds to the flavour profile, it'll continue to melt into the wine, now a touch drying on the finish. Plenty of juicy fruit though across the fuller-bodied palate."

'CLÉMENTINE'

Red Wine

"A complex blend of earthy, forest-wood and leafy aromas here with dark plums, cherries, dried blackcurrants and a herbal edge. The palate has such smoothly delivered, concentrated dark-berry flavors, layered with spiced currants, chocolate and plums. Great depth and power here."
