'DIXON'

Pinot Noir

"A fresh and bright red with sliced strawberry and cherry character to the lemon and watermelon flavors. Medium body. Firm and silky. Crisp finish. Drink now."

'DIXON'

Pinot Noir

"This is a blend of fruit Michael Dhillon declassifies from his single-parcel bottlings. It needs a lot of air after opening to move past the initial brown and green notes of oak and bell pepper. But as it evolves past those complications, it gains stature and turns toward gentle plum and strawberry flavors. Cellar this for a year or two and it should develop well."
