## “HONGELL VINEYARD”

*Grenache*

“A Vineyard Of Note in the Barossa Valley these days. Some good stuff coming off the site.

Frederick Stevenson grenache from here has been way good in years of yore. Always the tannins and tension. No miss here.

Good gear this. Tannin with roughed up edges, a little jubey fruit character, a big rasp of sweet

## “HONGELL VINEYARD”

*Grenache*

“Brilliant red. Finely etched red fruit, floral and exotic spice qualities on the fragrant nose. In a lithe, juicy style, offering intense raspberry and cherry flavors and a bitter suggestion of blood orange. The floral notes come back strong on a very long, penetrating finish that leaves white pepper and baking spice notes behind. These vines are reportedly over 90 years old.”

## “HONGELL VINEYARD”

*Grenache*

“Sourced from the Hongell Vineyard's 85-year-old vines in Krohndorf, the 2019 Grenache includes about one-third whole clusters. It's cloudy ruby in the glass, bursting with ripe pomegranate, cherry and raspberry fruit. Medium to full-bodied, silky textured, complex and long on the finish, this is darn good stuff.”
