

Blackwater

2018

**'HINTERLAND'***Cinsault*

"Even lighter in colour than Omerta, 2018 ex Darling has bright perfume & a softly silky palate with delicious & lingering fruit. Light, integrated tannins & lowish 12% alcohol, yet no non-vinous insipidity. Concrete 'egg'; 60% wholebunch."

**'HINTERLAND'***Cinsault*

"François Haasbroek's delicious Cinsault comes from the same vineyard as Duncan Savage's Follow The Line, which may explain why it's so good. Picked early and fermented with a smaller percentage of whole bunches than in 2017 because of the uneven ripeness, this is elegant, subtle and unoaked, with notes of rose petal and red cherrv. 2020-25."
