'HONEYPOT OF THE BAROSSA'*Roussanne*

"Hand-harvested fruit from a single vineyard. A core of lemon is accented with all the right varietal markers of spice, honeysuckle and linden. A contrast of vibrant acid line and fleshy, almost waxy texture, makes for multi-dextrous food-pairing versatility."

"Plenty of peach and honeysuckle here, as well as beeswax notes and light ripe tropical fruit. Good intensity all round with flavors of ripe melon, young peaches and pears. Chalky phenolic grip to close. Drink now. Screw cap." - Nick Stock

'HONEYPOT OF THE BAROSSA'*Roussanne*

"Pale gold. Tangerine, white peach and a hint of jasmine on the fragrant nose, along with a smoky mineral nuance. Juicy citrus and pit fruit flavors show very good depth and are sharpened by a candied ginger nuance that builds in the glass. Finishes subtly sweet and quite long, leaving a suave floral note behind."
