VEGAN

Stats

Grapes: 44% Grenache Noir - 28% Cinsault - 28% Syrah

Vineyard: Swartland: Eikelaan (Grenache Noir) - Fairview (Cinsault) - Lammershoek (Syrah)

Vine Age: Grenache (7-years-old) - Syrah (22-years-old) - Cinsault (28-years-old)

Soil Type: Eroded granite (Grenache & Syrah) - iron-rich shale (Cinsault)

Viticulture: Practicing organic - dry-farmed

Fermentation: Native - stainless steel (Grenache & Syrah with stems - Cinsault de-stemmed)

Skin Contact: 10-14 days

Aging: 10 months in neutral 300L and 500L barrels

Alcohol: 13%

pH: 3.7

Total Acidity: 5.5 g/L

Total SO₂: 36 ppm

Total Production: 566 cases

UPC: 6009879885958

About

Franco's father (Howard John) gave the seed money gift and the unwavering support that would ultimately become Lourens Family Wines. From the outset, Franco knew his first wine already had a name and label. He made the 2022 in Lukas van Loggerenberg's cellar, which he has done since 2020. The new space afforded Franco the ability to really take his time with ferments and bring fruit in at different times. The vineyards are all dry-farmed bushvine sites in the Swartland. The Grenache, Cinsault, and Syrah are from the Eikelaan, Fairview, and Lammershoek farms, respectively. As ever, this wine is the poster child of drinkability.

The grapes were all hand-picked and sorted before spontaneous fermentation took place in open top fermenters. The Grenache was fermented with 25% stems, the Cinsault was 100% de-stemmed, and the Syrah was 100% with stems. Gentle hand plunging during the first week and foot stomping the second week was the extent of the extraction methods and after a total of 10-14 days on skins the lots were pressed to old French tonneau for aging. Following ten months of maturation the barrels were racked to tank and the wine settled naturally. It was bottled without fining and just a coarse filtration and a small sulfur addition.

Tasting Note

Translucent crimson with ruby hues, this fresh, vibrant wine offers raspberries, red cherries, anise, and floral notes. Bright acidity, crunchy tannins, and stony minerality lead to a long, structured finish with a hint of briny olive.
