'KNAPSEKÊREL'*Cabernet Franc*

"Now certified biodynamic, & named for notorious blackjack weed, stylish Loire-style 2019 cab franc is lean & focused, uncompromisingly earthy, with pronounced blackcurrant & lead pencil notes. Polkadraai Hills fruit, 50% bunch fermented. Older oak, as all the wines. 13.5% alcohol unless noted."

'KNAPSEKÊREL'*Cabernet Franc*

"Just seven rows of biodynamically farmed Cabernet Franc in the Polkadraai Hills supply the fruit for this tangy, herbal, green herb-scented red, with has classic freshness and acidity and quite firm tannins for the variety. Needs a little more time. 2022-27."

'KNAPSEKÊREL'*Cabernet Franc*

"From a biodynamic Cabernet Franc vineyard in the Polkadraai area of Stellenbosch. 50% whole-bunch fermentation. Rose and fresh herbs to go with red and black berries on the nose while the palate shows juicy fruit and fine tannins. Well balanced, this is a very pleasing and accessible take on the variety."
