"Purity of fruit & focus the aim in this range, achieved in this 2019 with richly flavourful charm, featuring dried peach & melon, plus an earthy hint & a salinity on the finish. Old-oak maturation adds to the texture."

"Two Polkadraai vineyards supply the fruit for this barrel-fermented Chenin Blanc, which spends lots of time on its lees and completes malolactic fermentation. Savoury, spicy and focused, with granite-derived minerality and yeasty complexity. 2021-25."

"A slight label revamp for the 2019 vintage of Kottabos Chenin Blanc from the Bormans of Boschkloof, a nice touch being that credit is given to growers Jozua Joubert and Diaan Kotze. As usual, the wine is an understated and sophisticated effort.

Flowers, hay, dried herbs, citrus and peach on
