'KOTTABOS'*Skin Fermented Chenin Blanc*

"The white had sold out by the time I got to taste with Reenen Borman at Boschkloof, but the red Kottabos is just fine on its own, thank you.

Grenache-based with 28% Syrah, it's aged in concrete and old wood and has alluring Turkish Delight and ginger aromas and a core of raspberry, redcurrant and goji berry flavours.
