2018

“KWEPERFONTEIN”*Chenin Blanc*

"From 1984 dryland bushvines on Paardeberg Mountain, 2018 more about site expression than fruit, like 2017 (4 stars, 87 pts). Earthy dried scrub & unripe quince, emphatically dry, with chenin's steely acidity, some roundness & weight from vine age & 16 months on lees in concrete 'egg' (previous old-oaked). Just 12% alcohol."

“KWEPERFONTEIN”*Chenin Blanc*

"From a Paardeberg vineyard planted in 1984. A compelling nose of lemon, orange, herbs, spic and some leesy funk. The palate is super-concentrated with punchy acidity and a finish that is long and savoury. There's no denying the rough edges on this wine but that's what makes it."
