

Dandelion Vineyards

2019

**'LIONHEART OF THE BAROSSA'**

*Shiraz*

"This is a delicious full-bodied shiraz, hitting all the right notes. Aromas of dark cherry and boysenberry segue to a slipstream of clove, mace and star anise. The oak, mostly older French and American, cuddles the seams without squeezing them too hard. Plump and soft. An effortless drink without being simple or underdone." - Ned Goodwin. MW
