**'MARGARET'***Red Wine*

"A three-way split between 67% cabernet sauvignon, 17% merlot and 16% malbec, and they are completely in sync. Violets, cassis, mulberries and a baker's box of spices; firm but fine-grained tannins. The palate is fuller-bodied yet finely textured. Superb wine."

"Quite a savory nose with forest wood and dark spices, as well as rich plums and berries. Leafy, earthy and gently leathery notes, too. The palate has an elegant, succulent feel with dark berries, creamed spices and a smoothly delivered, dark-fruit finish. A blend of 67% cabernet sauvignon, 17% merlot and 16% malbec. Drink or hold. Screw cap."

"Blackberry, cherry, tobacco and ash, mint chocolate, cedar, flowers and dried herb. Medium-bodied, cherry pie, a bit of spice too, with earth, pencil and dried herb accents, grainy open-weave tannin, a cool and mineral feel, a long perfumed mixed berry finish to close. Excellent."
