## “QUARTZ”

*Chardonnay*

"The tension in this is fabulous. Taut as a snare drum, yet intense in flavour. It starts off on a citrus theme, with lemons and a touch of tangerine, tempered by a layer of nutty, leesy richness – just a smidge – this is a linear offering. It finishes long and persuasive. A delicious drink."

"If you want to look up 'complexity; wine' or 'premium wine' or 'fucking awesome' in a dictionary then I suggest a picture of this bottle accompanies. It's impressive from the first whiff of fragrance, all rich, fresh, savoury, fruit driven, saline and slate minerally. So much going on, so stellar, so fantastic to drink."
