"The NV Brut Reserve delivers a complex bouquet of warm bread, peach, dried white flowers and herbs. Medium to full-bodied, textural and fleshy, with chalky structuring extract and racy acids, it's a pretty wine that's already drinking very well."

"Creaminess is matched by lithe green apple and lemon freshness on the nose. The palate follows suit with a blend of fine, fresh, vivid fruit—think apple and lemon—and elegant, evolved creaminess. A lovely, sophisticated aperitif style full of vim and vigor."
