**'ROCKING HORSE'***Cape White Blend*

"It has a well-defined, flor-like bouquet offering brioche, grilled walnut, bales of straw and smoke. The fabulous palate presents a sensual honeyed texture effortlessly counterbalanced by acidity. Very harmonious, revealing dried honey, walnut and ginger on the finish. This is a masterclass in winemaking and it will age brilliantly in bottle." - Neal Martin

"Aromatics that tantalise and beguile – pear, peach, lime, green apple plus nutty, earthy, waxy notes. The palate has weight but also focus – great fruit concentration, driving acidity and a savoury finish. Taut in structure, intricate in flavour profile. "
