

## Yetti & the Kokonut

2020

### **'SALSA VERDE'**

The wine is golden apple in color. There is a really expansive floral aroma with some softer exotic fruits in the mango/pineapple spectrum with a little ripe peach entering the mix. The pallet is unctuous without being too heavy and a little anise note emerges mid-palate. The finish is a lengthy line of grilled lemon juice summing the wine up nicely.
