'SPRINGDORING'*Chenin Blanc*

"New to the small but perfectly formed Thistle and Weed range, Springdoring comes from a parcel grown on granite on the Paardeberg. Wonderfully scented and pure, with passion fruit, wet stone and orange zest flavours, a twist of aniseed and lots of pithy structure. 2022-27"

'SPRINGDORING'*Chenin Blanc*

"Grapes from a Paardeberg vineyard planted in 1982. Lime, white peach, green apple, hay, and dried herbs on the nose. The most light-bodied and lean of the trio – pure fruit and zippy acidity before a pithy finish. Delicate and tightly wound."
