'SPRINGTON'*Syrah*

"Packed with intense dark fruit and some meaty elements on the nose, this also offers savory dark stony notes, licorice and blueberry. The palate is framed in silky tannins that flow long and fresh, carrying dark-spice, black-cherry and blueberry flavors. Medium-bodied. Drink or hold."

"Nicely under-made without being loose. Exciting drinking here from Louis Schofield, who was assistant winemaker to the late Taras Ochota prior to his passing. Classic Eden Valley Syrah. It has energy and spirit. Very good."
