

Boschkloof

2018

**SYRAH**

"An attractive, less intense version of the grape in 2018, with subtle spicy & dark flavours, sweet fruit with a savoury edge; usual restrained oak support (10% new). 14% alcohol. Very approachable in youth, but should age."

**SYRAH**

"Made with fruit from two "spice-driven" vineyards in Stellenbosch, both of them on the decomposed granite that Syrah loves so much, this is hauntingly perfumed and alluring, all blood and rosemary and black olive, with subtle wood and wonderful purity and texture."

**SYRAH**

"The 2018 Syrah, which includes 30% whole bunch and was aged in used French oak for 14 months, has a lovely bouquet of brambly black fruit, black pepper and light bay leaf scents that unfurl wonderfully in the glass. The palate is medium-bodied with a ripe, very spicy entry and Provençal herbs mixed with tobacco and clove. Quite complex and poised...Excellent."
