2019

SYRAH

"This is "just" the entry point Syrah from Boschkloof, but it's well worth buying at less than a third of the price of Epilogue. Softer and more immediate than its elder sibling, it has violet, blood orange and white pepper perfume and a herbal, glossy, velvety palate. A Cape Crozes-Hermitage. 2022-29"

SYRAH

"Less demanding than Epilogue, 2019 still has plenty of character. Red fruit, lilies & spice fragrance, & freshness on elegant, supple palate. 20% wholebunch portion lifts fruit, while lively, harmonised tannin grip minimises heaviness of 14.5% alcohol. Older oak."
