

Ochota Barrels

2021

'THE GREEN ROOM'

Grenache Noir

Shimmering garnet color. Aromas of blueberry, white strawberry and lemon-blueberry juice waft with a stalky characteristic and notes of orange peel and bitter spice elements. The palate is light in body and has a rounder texture than the 2020 with that orange peel note repeating and a saline element emerging. There are fine, sandy tannins on the finish.
