'TIN SOLDIER'*Sémillon*

"Tin Soldier is a selection of Semillon Gris from the Paardeberg and always has a distinctive pink tinge as well as some savoury skin tannins. Rose petal, quince, black tea and blood orange flavours make this a wonderfully individual style. 2021-25." - Tim Atkin

'TIN SOLDIER'*Sémillon*

"From Swartland Semillon Gris. 50% skin contact. Gorgeous aromatics of potpourri, naartjie, red apple, bay leaf, spice and a hint of waxy character. Good fruit purity, bright acidity and a gently savoury finish – increasingly less esoteric as the grapes are picked riper and the amount of skin contact is reduced."

'TIN SOLDIER'*Sémillon*

"This has a very distinctive, satisfying bouquet of citrus peel, stem ginger, black currant leaf and peach skin, all beautifully defined. The palate is well balanced with a very saline entry, real saltiness on the front palate and plenty of lime and orange zest notes. Hints of nougat emerge toward the finish, which lingers in the mouth." - Neal Martin
