

Lelie van Saron

2020

**CHARDONNAY**

"Lelie van Saron is the own label of Natasha Williams, winemaker at Bosman Family Vineyards. The nose of this wine shows top notes of flowers and herbs before lime and lemon while the palate has good fruit concentration, nicely integrated acidity and savoury finish." - Christian Eedes

**CHARDONNAY**

"This Chardonnay comes from a single dryland block in the Upper-Hemel-en-Aarde Valley and is fresher and more focused than many 2020 whites, partly because it didn't go through malolactic. Taut and saline, with cream, fresh lemon, vanilla and clementine flavours. 2022-26." - Tim Atkin, MW
