

Yetti & the Kokonut

2020

'HIPSTER JUICE'

Rosé

Show this to anyone and say 'here's what fun natural wine looks like' and it ticks the boxes. Sour, redolent cherries and not-quite-ripe raspberries on the nose with a drop of balsamic vinegar, expressive roses, other floral tones from the Muscat and a mouthfilling texture. It pops with fruit, loads of it, with an herbal twinge that leads to a ainaerv sort of spice thina aoina.
