'NORTH DREAD'*Pinot Noir*

"A briary, brambly pinot that has been picked early and has gently spicy cherry and rose aromas with a light, earthy edge. There's plenty here in terms of complexity, all quite measured for now. The palate is very sleek, bright and juicy with a taut, compressed feel. I like the grainy texture and the tangy blood oranges, pomegranate and red plums." - Nick Stock

'NORTH DREAD'*Pinot Noir*

"Shimmering red. Vibrant, sharply defined red fruit and floral scents pick up spice and mineral flourishes with aeration. Tangy and precise on the palate, offering gently sweet strawberry and red currant flavors that gain weight as the wine opens up. Shows firm tension and strong, spicy lift on the persistent finish, which is framed by silky, even tannins." - Josh Ravnolds
