

Wolf & Woman

2021

**CHENIN BLANC**

"70% of grapes from Paardeberg vineyards on granite and 30% iron-rich soils west of Malmesbury. A floral top note before citrus, peach, earth and some leesy complexity. The palate is super-concentrated – plenty of palate weight but equally no shortage of freshness and drive. Wonderfully well realised." -Christian Eedes

**CHENIN BLANC**

"The brilliant Jolandie Fouché makes this superb Chenin Blanc with a 70/30 mixture of grapes from the Paardeberg and Malmesbury, with all three vineyards over 35 years' old. Complex, restrained and nuanced, with white peach, wet stone and waxed lemon flavours, nuanced oak and understated concentration. 2022-28." - Tim Atkin, MW
