

Wolf & Woman

2021

**GRENAche BLANC**

"Grapes from Voor Paardeberg. Expressive aromatics of citrus, apple and peach plus hints of herbs and floral perfume. The palate has good fruit concentration matched by tangy acidity, a saline quality to the finish. Stacks of flavour and just a little phenolic grip lending interest."

"Now entirely focused on her own Wolf and Woman project, Jolandie Fouché sources this stylish, zingy Grenache Blanc from Willie Mostert's farm in the Voor Paardeberg. Leesy, racy and well balanced, with 80% malolactic adding some weight to a palate of lemon zest and yellow apple. 2022-27." - Tim Atkin, MW
