2020

'JADE'

Red Blend

"Jade is an unusual, but very successful cuvée of equal amounts of Syrah and Petite Sirah, which tastes as if the two near namesake grapes were made for each other. Sourced from a cooler site, it has thyme and lavender aromas, a spicy, savoury palate, stony tannins and a palate of cracked pepper, cooked meat and black olive.

2023-29." - Tim Atkin. MW
