

Anysbos

2020

'TESAME'*Red Wine*

"59% Grenache, 26% Shiraz and 15% Cinsault.

The nose is fragrant with notes of musk, rose, fynbos and red cherry while the palate is delicate and understated with fresh acidity and subtle tannins. Being Grenache driven, there's a sense that future vintages will only grow in gravitas as the vines attain some age." - Christian Eedes

'TESAME'*Red Wine*

"The Grenache component has been increased to 59% in this, the second release of Tesame, with support from Shiraz and Cinsault. Floral, delicate and refreshingly low in alcohol, it has notes of rose petal, red cherry and pomegranate and enough tannin to add some structure to the finish. 2023-27"
