'AROMATICO'

White Wine

"The bouquet is indeed aromatic, with spice and pronounced orange blossom, the palate seamlessly following the lead of the bouquet in terms of flavour. A touch of warm spice combines with contrasting citrusy acidity, a breath of sweetness extending the finish. More difficult to make than you might imagine."

'AROMATICO'

White Wine

"Musk, ginger, rose petal – the GT aromatics ride high – with some citrus and pear under it. Clean lines, something Alsatian in profile albeit in a lighter, fresher frame, juicy, light chalkiness to texture, a subtle sweetness, and a clean finish with a little pucker of pith in the aftertaste. Walks the tightrope with aplomb. Job's a good'un." - Gary Walsh
